"HOW MUCH SHOULD I GIVE TO THE LORD?"

There are three kinds of church members: those who give nothing, those who give sparingly or a small percent of their income, and those who give bountifully or a larger amount of their income.

The most disturbing are those who give nothing. Would you believe that last year, exactly half of the church members in America gave nothing to the Lord's work through their church?

When we give nothing, we make a statement. We are voting to shut down the operation. We are voting to close the doors. Christ said, "... upon this rock I will build my church and the gates of hell shall not prevail against it" (Matthew 16:18). The scriptures declare, "... Christ also loved the church, and gave Himself for it" (Ephesians 5:25). If Christ gave His life for the church, can I give nothing to it? If Christ loved the church, should not we also love the church? If we truly love the church, we'll give so that the church can prosper and carry out its destiny to reach a lost world for Christ.

Jesus declared, "For where your treasure is, there will your heart be also" (Matthew 6:21).

Please take out your checkbook and look at the checks you have written over the past year. These checks indicate your priorities in life, what you consider to be important. If you have nothing to the church, then the church has no priority in your list of priorities and to you it is unimportant.

The amazing thing is that the average church member would be aghast at the thought of not loving his or her church. A typical response would be, "Oh, yes, I do love my church. I was baptized there, exchanged my marriage vows there. My parents' memorial services were there, etc."

If I love my church, I will give it my financial support. I will give. I will give generously if I love it devotedly.

Now this brings us to the question, "How much should I give?" A better question would be, "How much do I love my church!?"
